### How can I help?

- Coaches and Assistant Coaches are needed to keep the club running. The only way we can create teams is if we have enough coaches for the kids! We offer training for people new to soccer or new to coaching the little ones. The club requires the parents of every player to volunteer in some way. Please refer to the website for open positions or talk to your coach for more information.
- Please remember that you are required to help with the annual KMSL Tournament each Spring even though U6 players do not compete.
